A brown and white dog is shown from the chest up, looking directly at the camera. It has a white patch on its forehead and muzzle. It is wearing black-rimmed glasses. Several large, bright blue tears are falling from its eyes and down its face. The dog is standing on a dark asphalt surface with yellow painted lines. A large, bright blue puddle is on the ground in front of its front paws. To the right of the dog, there are four white rectangular boxes with black outlines, each containing a word or phrase.
